"Fair Warning: This is a one-man operation in an old house, in downtown Woodinville. Don't expect a fancy showroom, but do expect a friendly, trustworthy guy who knows his stuff and is happy to work with you to get it right, and a very friendly dog just for good measure. Would do business here again in a heartbeat." — *Joann Silkes, Woodinville, WA*

"This Place Is Amazing. Greg is the kindest, most informative guy. Before you settle on a carpet company that claims to have the "lowest" prices, you gotta come here. He saved my mom over \$2k and the quality is amazing. It's not everyday you come across a businessman that is so kind and wants to help you save money. I really recommend this place." — *Brittany B. THE STORY OF REDEMPTION PRESS

The story of Redemption Press's founder in *Full Circle* is one woman's search for acceptance and love that takes her on a 12-year journey into deception in a restrictive and legalistic cult. A true-life Cinderella love story of losing everything and regaining freedom, redemption, and faith.

In Full Circle, you'll read the story of a heroine who encounters many trials, hardships, broken hearts, and moments of joy that take her on a journey she never could have imagined. And it's all true! . . . Loving pursuit, redemption, forever after . . . ah, the stuff princess tales are made of.
